

GULF TIDINGS

NEW FURNITURE AROUND THE CORNER

After several months of meeting with manufacturers and furniture representatives, we have received Board approval to purchase new queen size sofa beds for the entire 21 units. In addition, new chairs for Phase 2 (2 bedroom bayside building) and the Penthouse units are being ordered as well.

Phase 1 & 2 Sofas

Chairs w/ Ottomans

STUDIO/ONE BEDROOMS will see major changes to their units this year coming up as we are opening up the floor space by adding pieces that take up less space and can be moved easier than the bulky furniture we have had over the recent years. The dining room tables will now be round but be able to fold in on the sides to create a rectangular table that will fit along the wall in the unit for more space to walk near the kitchens or laundry areas. Beautiful wooden folding chairs will be purchased to go with the new tables. 2 chairs will be left out around the table and 2 chairs will be placed in the closet if needed to give more room as well. The One Bedrooms will remain the same with 2 chairs in the closet to sit 6.

Dining Tables Phase 1 (Can be placed on wall)

Dining Tables Open for Use
